## NEWS BULLETIN – 08/2010:

WE ARE PLEASED TO ANNOUNCE NEW ADDITIONS TO THE MITS AIR, SALES TEAM:

Paul Anderson B.es & LEED AP, will be joining Mits Airconditioning Inc. as HVAC / Technical Sales Consultant on August 9<sup>th</sup>, 2010. Paul comes to Mits Airconditioning Inc. with vast experience in hydronic space and water heating, ductless, high and low velocity cooling systems, furnaces and rooftops. He is a qualified in RASDT and RHDT, HRAI Residential Heat Loss/Heat Gain calculations and system designs as well as being a LEED™ Accredited Professional. Paul was previously with Atlas Climatecare and with Klimatrol prior to that.

Alan S. Coleman, will be joining Rymac Sales, Div of Mits Airconditioning Inc. branch in Barrie, Ontario on August 9<sup>th</sup>, 2010 in the capacity of Branch Manager/Technical Sales. Alan has over 30 years experience in the wholesale/distributor industry and is trained in Geothermal applications, boilers and solar heating.

We wish both a long and successful stay at Mits Airconditioning Inc.

The Management  
Mits Airconditioning Inc.
