SAME GREAT WORK, NEW LOCATION

New Office Announcement – Barrie, ON

Mississauga, Ontario Tuesday November 3, 2020 – Mits Airconditioning Inc. (Rymac Sales) is pleased to announce that the HVAC distributorship in Barrie, Ontario is moving to a new location by November 30, 2020 to better serve Contractors, Engineers, Architects, and HVAC Designers in the surrounding region. The larger facility opening in Barrie, Ontario will complement the Mits Airconditioning Inc. Headquarters in Mississauga, Ontario and the London / Windsor, Ontario branch.

The dedicated support of the clientele in Central and Northern Ontario has fueled Mits Airconditioning Inc. to develop into a leader within the territory. All HVAC products currently distributed by Mits Airconditioning Inc. will be available at the new Barrie location.

Mits Airconditioning Inc. is pleased to welcome Donald Doherty to the team. Don brings over 10 years of technical support experience and extensive industry knowledge to his new role as Sales and Technical Support at the Mits Airconditioning Inc. Barrie Branch.

The website, email, and all telephone numbers will be fully operational during the transition period and any delays in service or shipping will not be experienced due to the company commitment to provide the highest quality of customer service.

The new Barrie branch has a large showroom / training center, a large warehouse, and is located at:

691 Dunlop Street W.
 Barrie, ON, L4N 9W9
 (705) 722-3200 | 1 (800) 688-1673
